Uh! All Night

Kiss

Everywhere around the world, everybody's doin' time
Freedom comes at 5:15, prison starts at quarter to nine
It takes a hard workin' lover to keep on towin' the line
I'll meet you under the covers, I get excited, I'm so excitedWell, we work all day and we don't know why
Well, there's just one thing that money can't buy
When your body's been starved feed your appetite
When you work all day, you gotta "Uh!" All night
Uh, uh, uh, uh, uh, whooTake me to the jungle, honey, we're livin' in a human zoo
Getcha turnin' tricks for money, I'd rather roll around with you
'Cause when the waitin' is over, I come a-runnin' to you
I got the whole night to show you, I get excited, I'm so excitedWell, we work all day and we don't know why
Well, there's just one thing that money can't buy
When your body's been starved feed your appetite
When you work all day, you gotta "Uh!" All night
Uh, let me hear you
Uh, right, uh, uh, uh, check thisWell, we work all day and we don't know why
Well, there's just one thing that money can't buy
When your body's been starved feed your appetite
When you work all day, you gotta "Uh!"They got me workin', they got me runnin'
But when I'm comin' home to you, yeahWell, we work all day and we don't know why
Well, there's just one thing that money can't buy
When your body's been starved feed your appetite
When you work all day, you gotta "Uh!" All nightWell, we work all day and we don't know why
(They got me workin', they got me runnin')
Well, there's just one thing that money can't buy
(Ooh, yeah)
When you body's been starved feed your appetite
(My body's hungry, don't need no money)
When you work all day, you gotta "Uh!" All night
(Comin' home, yeah)Well, we work all day and we don't know why
Well, there's just one thing that money can't buy
When you body's been starved, feed your appetite
When you work all day, you gotta "Uh!" All night
