Go your own way

Inchequin

Loving you
Isn't the right thing to do
How can I ever change things
That I feel
If I could
Maybe I'd give you my world
How can I
When you won't take it from me
You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
You can go your own way
Tell me why
Everything turned around
Packing up
Jacking up's all you wanna do
If I could
Baby I'd give you my world
Open up

Everything's waiting for you
You can go your own way
Go your own way
You can call it
Another lonely day
You can go your own way
You can go your own way
[Instrumental solo]You can go your own way
Go your own way
You can call it another lonely day
Another lonely day
You can go your own way
You can go your own way
You can call it another lonely day
You can go your own way (go your own way)
You can go your own way (go your own way)
[fade out]
