

Rainy Jane

Davy Jones

With a cloud above her head
Here comes Rainy Jane
If she stops you, man she'll bore you
With her sad refrain
It's the same old story
We've heard a thousand times before
She'll tell you how he broke her heart
Then the tears will start to pourHey Rainy Jane
You gotta stop your crying sometime
Come on Rainy Jane
It's up to you to make your own sweet sunshineJane you're just the shadow
Of the girl you used to be
Once you used to live for life
But now you live for sympathy
It's true your heart's been broken
And you've got the right to cry
But if you're gonna keep it up
The sunshine's gonna pass you byHey Rainy Jane
You gotta stop your crying sometime
Come on Rainy Jane
It's up to you to make your own sweet sunshineYou can change the weather
No one loves a rainy day
Come let's get together
Clouds will clear up when you cheer up
Take each raindrop
Make the rain stopHey Rainy Jane
You gotta stop your crying sometime
Come on Rainy Jane
It's up to you to make your own sweet sunshineHey Rainy Jane
You gotta stop your crying sometime
Come on Rainy Jane
It's up to you to make your own sweet sunshine
(Repeat to fade)
