Trying to Get You

The Animals

I've been traveling over mountains
Even through the valley, too
I've been traveling night and day
I've been running all the way
Baby, trying to get to youEver since I read your letter
Where you said you loved me true
Well, I've been traveling night and day
I've been running all the way
Baby, trying to get to youWhen I read your loving letter
Lord, my heart began to sing
There were many miles between us
But they didn't mean a thing
I just had to reach you, baby
In spite of all that I've been through
I been traveling night and day
I kept running all the way
Baby, trying to get to youWell if I had to do it over
That's exactly what I'd do
I would travel night and day
And still run all the way
Baby, trying to get to youWell, there's nothing that could hold me
Or that could keep me away from you
When your loving letter told me
That you really loved me true
Lord above me knows I love you
It was He who brought me through
When my way was dark as nighÃ-â€š
He would shine His brightest light
When I was trying to get to you
