This Is Serious

Lunachicks

Lunachicks on the run
Lunachicks are having fun
Lunachicks make lots of noise
To prove rock and rolls not just for boysOn the road and on the rag
We fuckin' roll so we gotta brag
Gonna take over the world someday
Stay off our path or get out of the wayStay awayLunachicks on the run
Lunachicks are having fun
Lunachicks make lots of noise
Now you know rock and rolls not just for boysThis is serious
We can make you delirious
You should have a healthy fear of us
Too much of us is dangerousGonna take it all on a silver platter
Say all you want 'cause it just don't matter
Gonna knock your socks off tonight
Don't try and stop us 'cause we'll win the fightWe're not sweet but we might be sour
Born in the days of flower power
Give us all your money and your credit cards too
You step off and stick to huffing glooStep oneThis is serious
We can make you delirious
You should have a healthy fear of us
Too much of us is dangerousWe're not candy
Even though we look so fine and dandy
When your sick we come in handy
But we're not candyOh no, no, no, no, no
No, no, no, no, no, no
Oh no
