When I Close My Eyes

Terminal Choice

Your smiling face
Is burning in my mind
I miss your livid skin
The smell of your hairWhen I close my eyes
I can see your face
It's like paradise
Your cold embrace
When I close my eyes
I can see your face
It's like paradise
Your cold embraceI walk through you house
There is no noise
Silence in every room
No nothing
No sound of your voiceI want to hold your hand
Like every morning
But there is just an empty space
On your side of the bedYou don't live here
Anymore
You left me here
You wont come backTell me why
You had to die
You got killed
On a winters dayWhen I close my eyes
I can see your face
It's like paradise
Your cold embrace
When I close my eyes
I can see your face
It's like paradise
Your cold embrace
When I close my eyes
I can see your face
It's like paradise
Your cold embraceWhen I close my eyes
I can see your face
It's like paradise
Your cold embrace
