

Girl, Lady, Woman

[Next](#)

Divine Mill, Next

I need a girl, someone I can just chill with
I need a lady, someone I can be real with
I need a woman that supports everything I'm doin'
Girl if you're that lady, come on woman be my baby
I know this is our first date
But the fact remains, you're a candidate to be
More than just dinner and wine
A girl I'd classify as just a friend of mine
Now I don't want you to feel uncomfortable
We can take it slow 'cause we hardly
Even know each other
But you seem like a girl I could bring home to my mother
I need a girl, someone I can just chill with
I need a lady, someone I can be real with
I need a woman, that supports everything I'm doin'
Girl if you're that lady, come on woman be my baby
To be with me is pressure for sure
That's why she's gotta be secure
In me, in her, in love, in us
'Cause there's certain things that I won't discuss
Like where I've been, who I was with
What I've been doin', that type of shhh
'Cause to love me is to trust me
If you want me, say something, 'cause I
I need a girl, someone I can just chill with
I need a lady, someone I can be real with
I need a woman, that supports everything I'm doin'
Girl if you're that lady, come on woman be my baby
I need a girl, someone I can just chill with
I need a lady, someone I can be real with
I need a woman, that supports everything I'm doin'
Girl if you're that lady, come on woman be my baby
See I really wanna please my girl
'Cause I really, really need my girl
I'd never, ever leave my girl
So if you wanna be my girl, come on, come on
See I really wanna please my girl
'Cause I really, really need my girl

I'd never, ever leave my girl
If your that lady, come on woman, be my baby
I need a girl, someone I can just chill with
I need a lady, someone I can be real with
I need a woman, that supports everything I'm doin'
Girl if you're that lady, come on woman be my baby
I need a girl, please my girl
'Cause I really, really need my girl
I'd never, ever leave my girl
So if you wanna be my girl, come on, come on
I need a girl, see I really wanna please my girl
'Cause I really, really need my girl
I'd never, ever leave my girl
If your that lady, come on woman be my baby
I need a girl, so you really wanna be my girl?
'Cause I really, really need my girl
Are you down with N-E-X-T my girl?
Down with R.L., T, Tweet my girl, yeah, yeah, yeah
I need a girl that's mine, oh mine
So I can tap that spine, oh spine
Uh, yeah, NEXT, ooh
You heard me, let's go
