

# Pardners (feat. Jerry Lewis)

Dean Martin

with Jerry Lewis(DM) You and me we're gonna be pardners

(DM) You and me we're gonna be pals

(DM) You and me we'll do and dare alike

(DM) We'll share what there's to share alike

(DM) That goes for money, pleasure or gals

(DM) You and me will be the greatest pardners, buddies and pals(JL) You and me we're gonna be pardners

(Both) You and me we're gonna be pals

(Both) You and me when other friendships fail

(Both) We'll still be on that long, long trail

(Both) That leads up to those pearly corals

(Both) Up in the sky

(Both) You and me we'll be the greatest pardners, buddies and pals

(Both) You and me will be the greatest pardners, buddies and pals(Both) You and me when other friendships fail

(Both) We'll still be on that long, long trail

(Both) That leads up to those pearly corals

(Both) Up in the sky

(Both) You and me we'll be the greatest pardners, buddies and pals

(Both) You and me will be the greatest pardners, buddies and pals
