After Accident

Dead Infection

[Music: Cyjan-Kelner / Lyric: Cyjan]An 18-years-old model with life standing
With a bunch of fame in front her,
She got run over by a 10 tons truck.
Total crush, extensive fractures,
Though she survived.
Fractures with a dislocation in seven places,
Entirely cut breasts,
No lens will catch them any more,
Make-up consumed by immense haemorrhage,
Extremities to be amputated,
Brain getting no impulses,
Too much shock.
Object of all men's desire pressed
In street asphalt,
Blood streams strong enough to make getting
To the victim difficult.
