

Tame My Tiger

T. Rex

Sister sister
Won't you tame my tiger
Sister sister
Won't you tame my tiger
Won't you give me your love
Real wild

Mister mister
Won't you join my priestess
Mister mister
Won't you join my priestess
If you do my love I'm yours

Baby lady
Won't you tame my tiger
Baby lady
Won't you tame my tiger
Won't you give me your love
Right now
Baby baby won't you tame my tiger
