

My Way or the Highway

This Frontier Needs Heroes

C Em Am Em

why do i have to learn the hard way?

C Em Am G

why do I have to do it my way?

Somethings gonna strike you down

Somethings gonna strike you down

Somethings gonna make you feel like you've got a frown I think I prolly told this joke before

If i get out of this alive I wont do it anymore

cause being good is just something that I want to do

and being good is just something that always pulls me through why do I have to do it my way?

why do i have to learn the hard way?

somethings gonna strike you down

somethings gonna strike you down

somethings gonna make you feel like everyones around
