Wanted sending out this warning
All over this land
Calling I'm giving out this warning Lord
For all upful tradesman wanted tradesmanI'm a carpenter by trade
Here I come with my hammer nails in hand
I'm ready to shelter needy furnish any apartment
A house is not a home till I pass throughI'm a mason by trade
Here I am with my shovel cement in sand
I'll decorate ghetto mansion I turn into a palace
Never mind how high or how I say
Wanted wanted sending out this warning
For all upful tradesman oh LordI'm a plumber by trade
Here I come with my spanner tools in bag
I'll run you a river not of tears
But of fresh clean water
