God In Me

Mary Mary

You're listening to The Sound
I just wanna tell the truth mayne
I just wanna tell the truth mayne
I just wanna tell the truth mayne
I just wanna tell the truth mayne
You're so fly, you're so high
Everybody 'round you trying to figure out why
You're so cool, you win all the time
Everywhere you go, man you get a lot of shine
You draw like a magnet, better yet I have it
Everything you wear people say they gotta have it
From the sweat suit to the white tee to the Gucci
You can probably say people wanna get like me
But what they don't know is when you go home
And get behind closed doors, man you hit the floor
And what they can't see is you're on you're knees
So the next time you get it just tell 'em
It's the God in me, it's the God in me
It's the God in me, it's the God in me
It's the God in me
You think I'm so fresh, you think I'm so clean
You think I'm so sweet
It's the God in me, it's the God in me
It's the God in me
You see her style, you think she nice
You look at her whip, you say the whip tight
You look at her crib, you thinking she's paid
You look at her life, you think she's got it made
But everything she's got, the girl's been given
She call it a blessing but you call it living
When it come to money she can be a hero
She writes them checks with a whole lot of zeros
But what you don't know is when she get home
And get behind closed doors, man she hit the floor
And what you can't see is she on her knees
And if you ask her she'll tell you
It's the God in me, it's the God in me
It's the God in me, it's the God in me
It's the God in me

You think I'm so fresh, you think I'm so clean
You think I'm so sweet
It's the God in me, it's the God in me
It's the God in me
What is it you think you see when you see me, you see me?
You don't know how much I pray
Don't know how much I gave, don't know how much I changed
I'm just tryna explain
It's the God in me, it's the God in me
It's the God in me, it's the God in me
It's the God in me
You think I'm so fresh, you think I'm so clean
You think I'm so sweet
It's the God in me, it's the God in me
It's the God in me
It's the God in me
You think I'm so fresh, you think I'm so clean
You think I'm so sweet
It's the God in me
