Birthday

Pixie Lott

(Verse 1)
oh, oh, oh, oh,
Felt like I was having one of those days,
When nothing goes right, so I drift away,
Stuck with my back up against the wall,
Didn't know it was you I was waiting for,
Close to tears I was stressing out,
With you I forgot what I worry about,
Take you time well ad-least you here,
And all the drama's disappeared,
Oh, you saved my life you saved my life,
(Chorus)
It started out as the worst day,
But now you got me feeling like its my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
(Verse 2)
Wanted to party oh Bacardi and coke OK,
I get exited when I know I see your face,
We can stay home cause its just as fun,
And if its an issue you can be my pisquan,
Now I know there's nothing that I can't do,
I'm pretty sure that its something to do with you,
Take you time well ad-least you here,
And all the drama's disappeared,
Oh, you saved my life you saved my life,
(Chorus)

It started out as the worst day,
But now you got me feeling like its my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)

You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
(Hook)
You pick me up when I'm down and you turn it all around,
I just cant get enough,
My feet don't touch the ground,
I just cant get enough,
When you holding me tight it'll all be al-right inside,
Its my f*ing birthday,
(instrumental)
(Chorus)
It started out as the worst day,
But now you got me feeling like its my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh(it's my birthday)
You got me like oh, oh, oh, oh, oh, oh(it's my birthday)
oh, oh, oh, oh, oh, oh(it's my birthday) (x2)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
