

Downtown Man

Jessica Hernandez & The Deltas

Take it slow like a pill
Swallow down what you think you is
Said your hard but you ain't as hard as him
Makin' sense of the days
Your work is grimm but you find your place
Said your dark but you aint as dark as him
Downtown man
Hopin' to save your plan
'Cause I've been runnin' round for days and days with no partner
Take your hand
Show you the final plan
'Cause Iv'e been runnin' for days and days with no partner
One step away from it
You get your way
When step away
Oh your dead
Down the hill, there's a God
All them dreams that you tried to start
Said your quick but you aint as quick as him
And to your right
Is your wife
