And she's bad (Bad)
So I might holla (Holla)
She moves up and down

Like a 6-4 impala (6 6 6)
She get it from her mama
And she don't like lames (Nope)
She likes rich n****s (Come On)
That's heavy in the game
Like... me

[Diddy:]
B5, talk to em

I see you looking at me
Trying to figure out how I move to the beat
So good
Guess I got it in my blood
Everytime the DJs spinning my cuts

I came to party
Just to show you how it's done
Fellas you can 2 step if you want too (Let's Go)
B5 giving you something to move to (B5)

[Chorus:]
Thumping your trunk,
Make the speakers bump (Uh-huh)
Hit the switch on the 6-4
Make it jump (Make it jump)
Got a brand new dance
Can you see me stunt?
You can do it like me
Just turn it up

Get low

Clean to the floor

[Patrick]
So sophisticated, educated, standing in the crowd
But she looking at me
Because she like the way I put it down
She recognize me
From my video and on my shows (That's Right)

[Patrick & Kelly:]

And this is how it goes

[Patrick:]
