

# Show Me How to Live (T Ray remix)

## Audioslave

And with the early dawn  
Moving right along  
I couldn't buy an eyeful of sleep  
And in the aching night under satellites  
I was not received  
Built with stolen parts  
A telephone in my heart  
Someone get me a priest  
To put my mind to bed  
This ringing in my head  
Is this a cure or is this a disease Nail in my hand  
From my creator  
You gave me life  
Now show me how to live Nail in my hand  
From my creator  
You gave me life  
Now show me how to live And in the after birth  
On the quiet earth  
Let the stains remind you  
You thought you made a man  
You better think again  
Before my role defines you Nail in my hand  
From my creator  
You gave me life  
Now show me how to live Nail in my hand  
From my creator  
You gave me life  
Now show me how to live And in your waiting hands  
I will land  
And roll out of my skin  
And in your final hours I will stand  
Ready to begin Nail in my hand  
From my creator  
You gave me life  
Now show me how to live Nail in my hand  
From my creator  
You gave me life  
Now show me how to live Show me how to live
