

Disenchanted

My Chemical Romance

Well I was there on the day
They sold the cause for the queen
And when the lights all went out
We watched our lives on the screen
I hate the ending myself
But it started with an all right scene
It was the roar of the crowd
That gave me heartache to sing
It was a lie when they smiled
And said, "You won't feel a thing"
And as we ran from the cops
We laughed so hard it would sting
Yeah yeah, oh If I'm so wrong
(So wrong, so wrong)
How can you listen all night long?
(Night long, night long)
Now will it matter after I'm gone?
Because you never learned a goddamned thing
You're just a sad song with nothing to say
About a lifelong wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you
I spent my high school career
Spit on and shoved to agree
So I could watch all my heroes
Sell a car on TV
Bring out the old guillotine
We'll show 'em what we all mean
Yeah yeah, oh If I'm so wrong
(So wrong, so wrong)
How can you listen all night long?
(Night long, night long)
Now will it matter long after I'm gone?
Because you never learned a goddamned thing
You're just a sad song with nothing to say
About a lifelong wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you
So go, go away, just go, run away
But where did you run to?
And where did you hide?
Go find another way
Price you pay
Hurray, hurray, hurray, hurray-ray-ray
You're just a sad song with nothing to say
About a lifelong wait for a hospital stay

And if you think that I'm wrong
This never meant nothing to you, come on You're just a sad song with nothing to say
About a lifelong wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you At all, at all, at all, at all
