Goodbye Joanna

Linda Lewis

(Linda Lewis)Goodbye, Joanna
You can stay with Sam
Give him your keys, please
Because he's a real good manForget me not, love
And leave your family
Though I'm changin' my tune
I sway and hum to the memoryNow I am standing in the field of golden corn
I am looking at the sunset, I am waiting for the dawn
All acquaintances and loves that I have lost
For good old farmer so familiar in the duskOoh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh oohIn the orchard when we were babies
First bite tastes so good
I cherish every essence
Nights are goin' on are goneYou know the fact is always pleasin'
Forgive me if I forget
The people and the reasons
On the hilltop where the music of loveI recall the broken heart strings
The faded photographs, the tears and the laughs
Billy goat, boss swingin' electric jam DJ
And my firefly friend fly awayGoodbye, Joanna
You can stay with Sam
Give him your keys, please
Because he's a real good man
