

# Wired For Sound

## Cliff Richard

I like small speakers, I like tall speakers  
If they've music they've wired for sound Walkin' about with a head full of music  
Cassette in my pocket and I'm gonna use it  
Stereo out on the street you know, woh oh woh Into the car go to work I'm cruisin'  
I never think that I'll blow all my fuses  
Traffic flows into the breakfast show, woh oh woh Power from the needle to the plastic  
A.M., F.M. I feel so ecstatic now  
It's music I've found and I'm wired for sound I was small boy who don't like his toys  
I could not wait to get wired for sound  
I met a girl and she told me she loved me  
I said you love me then love means you must like what I like  
My music is dynamite, woh oh woh She said,? I'm not a girl you put on at a stand by  
I am a girl who demands that her love is amplified  
Switch in to overdrive, woh oh woh? Power from the needle to the plastic  
A.M, F.M I feel so ecstatic now  
It's music I've found and I'm wired for sound Power from the needle to the plastic  
A.M, F.M I feel so ecstatic now  
It's music I've found as I'm wired for sound I like small speakers, I like tall speakers  
If they've music they've wired for sound  
I like small speakers, I like tall speakers  
If they've music they've wired for sound  
I like small speakers, I like tall speakers  
If they've music they've wired for sound  
I like small speakers, I like tall speakers  
Wall speakers most of all I like loud speakers  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
