Drink A Beer

Luke Bryan

When I got the news today
I didnt know what to say
So, I just hung up the phone
I took a walk to clear my head
This is where the walking led
Cant believe youre really gone
Dont feel like going home[Chorus]
So, Im gonna sit right here
On the edge of this pier
And watch the sunset disappear
And drink a beerFunny how the good ones go
Too soon, but the good Lord knows
The reasons why, I guess
Sometimes a greater plan
Is kinda hard to understand
Right now it dont make sense
I cant make it all make sense[Chorus]
So, Im gonna sit right here
On the edge of this pier
And watch the sunset disappear
And drink a beerSo long, my friend
Until we meet again
Ill remember you
And all the times that we used toSit right here
On the edge of this pier
And watch the sunset disappear
And drink a beer
Drink a beer
Drink a beer
Yeah
