This Is It

Evan McKeel

There've been times in my life
I've been wonderin' why
Still, somehow I believed we'd always survive
Now, I'm not so sure
You're waiting here
One good reason to try
But, what more can I say
What's left to provideAre you gonna wait for a sign, your miracle
Stand up and fightMake no mistake where you are
(This is it)
You back's to the corner
(This is it)
Don't be a fool anymore
(This is it)The waiting is over, no, don't you run
No way to hide
No time for wonderin' why
It's here, the moment is now, about to decide
Let 'em believe
Leave 'em behind
But keep me near in your heart
Know whatever you do
I'm here by your sideFor once in your life
Here's your miracle
Stand up and fightMake no mistake where you are
(This is it)
You're goin' no further
(This is it)
Until it's over and doneWhoa-oh-ho, whoa-aaah
(Who makes the choice of how it goes)
It's not up to me this time
(You know)
Comes a day in every lifeMake no mistake where you are
(This is it)
You're goin' no further
(This is it)
Until it's over and done
(This is it)
One way or another
(This is it)

(No one can tell what the future holds)
(This is it)
Your back's to the corner
(This is it)
(You make the choice of how it goes)
(This is it)
The waiting is over
(This is it)
(No one can tell what the future holds)
(This is it)
You're goin' no further
(This is it)
