

# 1000 Miles

## Jessica Campbell

1000 Miles â€“ Jessica Campbell  
1000 miles I would run if I had to  
And I would never look back  
1000 pounds of rubble I would dig through  
To find the needle in the stack  
You~~ -- You did that for me~~  
You~~ -- You did that for me~~

1000 shells I would unfold if had to  
To find one perfect pearl  
1000 oceans I would swim  
For the chance to -- meet you on the other shore  
You~~ -- You did that for me~~  
You~~ â€“ You did that for me~~

No span of time nor speed or pace  
Would get me close enough to you  
Itâ€™s not the distance I would go  
But that I gave my heart to you--  
That I gave my heart to you -- to you--

You~~ -- You did that for me~~ â€“ ~whoa hmmmm~~  
You~~ -- You did that for me â€“ for me for me ~~ whoa~~  
You~~ -- You did that for me~~  
You ~--- You did that for me

1000 miles I would run if I had to  
And I would never look back.
