Fly High Away

Nili Reyy

[Intro: Nili Reyy]
To Whom it may concern...

[Course: Nili Reyy]
I'll Fly High //
I'll Fly Away //

[Verse #1: Nili Reyy]
Yo you don't know what you do to me.. how you impact my life..
I'mma fly till I fall //
Past all the heathens and all //
Past all the reasons I'm wrong //
Past all the meanings of singing this song //
You're the reason I call //
The reason I need to be someone who's keeping on //
The way that we bonds like a sing along //
You've given me purpose above all that //
You've keeping me strong //
Neglected my family for you //
My daughters my life that was all just for you //
And I know you never asked me to do I did it myself cause I'm crazy for you //
It's you who completes me, You don't understand //
You got the power to change me and make me to a better man //

[Verse #2: Nili Reyy]
See I I never would never ask you for much //
Or even a ounce of your time //
To make this music so YOU can relate and escape all this pain from ya mind //
I know that I've made my mistakes but I'm pushing more harder and harder to try //
To deal with the hands that I've dealt with emotions I've felt //
in this music so you can just vibe //
It's all because of you I can fly //
It's not you by me, it's me by your side //
Words can't explain but still here I try //
As I paint these tears in this canvas of mine //
Your my symphony to my inner me //
You support or you're a enemy //
Now open your arms wide and fly //

Come on pretend with me Cause i'll! //

[Outro: Nili Reyy]
I just wanna hear from you what kind of love you got for me.. I wanna hear what your hearts got to say..
Sincerely.. Nili Reyy!
