Sleeper Awake

Sarah Blasko

Some of us don't know why
We were born into this world
Sometimes can't sleep at night
Worrying 'bout the world fearing it as it turnsUse your hands, you know that they are worthy
Use your hands, you know you love to get them dirtyYou've been lying on a bed
Seeing no way
Crying all the time
Nearly dead
Secrets are lies
Lying in vain
Sleeper awake
Sleeper awakeSome of us don't know that
We were born and sold a lie
Sometimes can't speak, we try
But our voice cannot be heardUse your hands, don't be afraid of standing up for something
Use your hands, I know you love to get them dirtyYou've been lying on a bed
Seeing no way
Crying all the time
Living dead
Secrets are lies
You're lying in pain
Sleeper awake
Sleeper awakeYou've been lying on a bed
Seeing no way
Crying all the time
Living dead
Secrets are lies
You're lying in vain
Sleeper awake
Sleeper awakeYou've been lying on a bed
Seeing no way
Crying all the time
Living dead
Secrets are lies
You're lying in vain
Sleeper awake
Sleeper awake
