

Child's Prayer

Chicago

Now I lay me down before I sleep
Pray the Lord my soul to keep
Stay with me Jesus through the night
til I wake in the morning light Merry Merry Christmas
Glory to the King. Now I lay me down before I sleep
Pray the Lord my soul to keep
Stay with me Jesus through the night
til I wake in the morning light Christmas day is coming
Glory to the King La la la la la la la
La la la la la la la
La la la la la la la
La la la la la la la Glory to the King Glory Glory Glory
Glory to the King God bless us on this Christmas day
Pease on earth for this we pray
Love is a gift we all must give Love is all there is
Love is all there is
Love is all there is
There is
