

The Breakdown

Prince

Listen to me closely as the story unfolds
This could be the saddest story even been told
I used to want the house with the biggest pool
I've been missing out I just feel like a fool Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down I used to throw the party at the New Year's Eve
First one intoxicated, last one to leave
Waking up in places that you would never believe
Give me back the time, you can keep the memories Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down Every book I've read said that I would meet somebody like you
Whenever I was sorry, so sorry for the things I used to do
A journal full of numbers that I used to go through
(1, 2, 3, 4, 5, 6, 7) all behind me now, all because of you Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down
Keep breaking me down, down, down You keep breaking me, you keep breaking me down
I don't wanna walk out
Don't wanna go down, down, down See there's a door that you can walk through
Where there used to be a wall
I don't care, it's cool as long as you catch me baby
(Catch me when I fall) If there's ever a fall
Closer to the breakdown, the closer we get
