Undisco Kidd (The Girl Is Bad!)

Parliament

She's bad! The girl is bad!
Bad! The lady is bad!Now the kid was kick-back, lining the cut
Eatin' some fish and chips
And this freaky little groupie
From the funky side of town
Begin to give him some lipShe was babblin' about how bad, ah
She could do the bump
The kid said on the real side of things
Bertha, you got too much rump to bump!Move, your sexy body
Baby, let me see you move it all across the floor
Move, your sexy body
Every time you wiggle you hear the men holler for moreThe girl is bad!I'm on the ten most wanted list
I've got it dead in the groove
My face is on every wanted poster in town
For the way I move (move)I'm public enemy number one (your sexy body)
To the undisco scene
And, kid, if you don't get up your you-know-what and dance with me
(everytime you wiggle you hear the mean holler for more)
I'm gonna be forced to get meanThe kid was cool
He was no fool
He said, "Get the funk off my case"
Without missing a beat
Snatchin' him to his feet
She bumped him all in the faceNow the kid was teasin'
He was definitely uncool
Trying to get some hat?
(move your sexy body)
And she bumped him right back
(baby let me see you move it all across the floor)Move, your sexy body
Baby, let me see you move it on the disco floor
Move, your sexy body
