

Problem

Brad Kavanagh

Hey baby even though I hate ya!
I wanna love ya
I want you!
And even though I can't forgive you
I really want ta
I want you! Tell me, tell me baby
Why can't you leave me?
Cause even though I shouldn't want it
I gotta have it
I want you! Head in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've got One less problem without you girl!
I got!
One less problem without ya!
I got!
One less problem without you girl!
I got one less, one less problem
without ya I know you're never gonna wake up
I gotta give up
But it's you!
I know I shouldn't ever call back
Or let you come back
But it's you!
Every time you touch me
And say you love me
I get a little bit breathless
I shouldn't want it
But it's you! Head in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've got One less problem without you girl!
I got!
One less problem without ya!
I got!
One less problem without you girl!
I got one less, one less problem
without ya baby yeah Head in the clouds
Got no weight on my shoulders

I should be wiser
And realize that I've got (I've got) One less problem without you girl!
I got!
One less problem without ya!
I got!
One less problem without you girl!
I got one less, one less problem
without ya
One less problem without you girl!
I got!
One less problem without ya!
I got!
One less problem without you girl!
I got one less, one less problem
without you
