

# In The Still Of The Night

## Supper Club

In the still of the night as I gaze out of my window  
At the moon in it's flight my thoughts all stray to you  
In the still of the night while the world is in slumber  
Oh, the times without number, darling when I say to you  
Do you love me as I love you?  
Are you my life to be, my dream come true  
Or will this dream of mine fade out of sight?  
Do you love me as I love you?  
Are you my life to be, my dream come true  
Or will this dream of mine fade out of sight?  
Like the moon growing dim on the rim of the hill  
In the chill still of the night
