

Stranger

Cody Jinks

[Verse 1]

Who's this stranger in the mirror
The one that's lookin' back at me?
He ain't familiar, I don't know this guy
Who in the world could it be?
It ain't me, there ain't no way

And the stranger is gettin' stranger everyday [Verse 2]

The guy I'm lookin' for, he's a young man
He ain't scarred-up and gettin' old
He's a good kid from the country
Your eyes are big-city-cold
It ain't me, there ain't no way

And the stranger is gettin' stranger everyday

[Chorus]

Maybe I'm goin' crazy
Could be losin' my mind
Lookin' for someone familiar
That I knew one time [Verse 3]

Stranger, hear me talkin'
Listen up to what I have to say
Waitin' for an answer... silence

And the stranger is gettin' stranger every day

[Chorus]

Maybe I'm goin' crazy
Could be losin' my mind
Lookin' for someone familiar
That I knew one time [Outro]

Who's this stranger in the mirror?
