

Silent Prayer

[Shanice](#)

Silent prayer I send to you my silent prayer
Before I sleep at night
I send to you my silent prayer
Baby, so you'll be alright Every mornin' I think of you
I just can't shake of my dreams, no no
I read the paper and watch the news
I don't know what it means When you do what you've got to do
You must know that I'm there with you
Every breath that I take, I hope and I pray
Sweet, baby, baby be okay Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer, oh yeah I hold a picture of a golden sunset, yeah
And I'll take your hand, take my hand
We're gonna walk down that promised road
Just like we planned, just like we planned 'Cause I know what I'm gonna do
Just as soon as I'm back with you
Every breath that I take, I hope and I pray
Sweet baby, baby be okay Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer I send to you my silent prayer
I send to you my silent prayer, oh yeah
I send to you my silent prayer, every hour
My silent prayer Silent prayer, silent prayer
Silent prayer, silent prayer
Silent prayer, silent prayer
I send to you my silent prayer, silent prayer
