

# Guyana (Cult Of The Damned)

## Manowar

Thank You For The Kool Aid Reverend Jim  
We're Glad To Leave Behind Their World Of Sin  
Our Lifeless Bodies Fall On Holy Ground  
Rotting Flesh A Sacrificial Mound  
Were You Our God Or A Man In A Play Who Took Our  
Applause And Forced Us To Stay  
Now All Together We Lived As We Died On Your Command  
By Your Side  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
In The Cult Of The Damned We All Worked The Land, Too Afraid  
To Look Up  
We All Feared His Hand  
Hurry My Children  
There Isn't Much Time  
But We'll Meet Again On The Other Side  
Be Good To The Children And Old People  
First Hand Them A Drink  
They're Dying Of ThirstGuyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Bigfoot, Bigfoot Thrown In A Well  
Pulled Under Water  
Screaming Like Hell  
He Told Us Life Was Just A Hotel  
Time To Check Out When He Rang The BellGuyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand  
Guyana In The Cult Of The Damned  
Give Us Your Word For The Grand Final Stand
