

And Then We Kiss

Britney Spears

Laying alone touching my skin
I'm falling under
A girl like me
And I can't hold it in
It makes me wonder

Is this for real?
It's not what it seems
You're like an angel
I'm under now
My feet on the ground (oh)

Take me
Touch me
Won't you hold me close?

And then we kiss
Your love comes alive on my lips
I feel a rush
Coming over me, over me
And when we touch
This moment when everything's still
I close my eyes
And then we kiss

Feeling your hand
As it touches my hair
It makes me tremble
Don't even let go
Of the feelings we share
So baby go slow

Our hearts beating fast
And my body cries (yeah)
I want it to last
This burning inside
We're getting deeper

Take me
Touch me

Won't you hold me close?

And then we kiss
Your love comes alive on my lips
I feel a rush
Coming over me, over me
And when we touch
This moment when everything's still
I close my eyes
And then we kiss

I'm drifting
The sun comes up
You're fading
You seem so far
I don't know
If I'm awake
Open my eyes

And then we kiss...

Take me
Touch me
Won't you hold me close?

And then we kiss
Your love comes alive on my lips
I feel a rush
Coming over me, over me
And when we touch
This moment when everything's still
I close my eyes
And then we kiss

And then we kiss
And then we kiss
And when we touch
This moment when everything's still
I close my eyes
And then we kiss
