

Linoleum

NOFX

Possessions never meant anything to me
I'm not crazy
We'll that's not true, I've got a bed and a guitar
And a dog named Dog who pisses on my floor
That's right, I've got a floor
So what, so what, so what? I've got a pocket full of kleenex and lint and holes
Where everything important to me
Just seems to fall right down my leg
And on to the floor
My closest friend, linoleum, linoleum
Supports my head, gives me something to believe That's me on the beachside combing the sand
Metal meter in my hand
Sporting a pocket full of change
That's me on the street with a violin under my chin
Playing with a grin, singing gibberish That's me on the back of the bus
That's me in the cell
That's me inside your head
That's me inside your head
