

Smile

Pete Murray

Please come walk with me
And we will walk forever
Come and touch my skin
You control my shiver
 Feel sunny day
Believe your time has
 Come today
Throw in your prime
And know it's here
 To stay
 I have seen days
When your smile goes on forever
 You light up the room
In the deepest darkest weather
 Feel sunny day
Believe your time has
 Come today
Throw in your prime
And know it's here
 To stay
 Be free to see
Your smile, soft sway
I'm sure you want this day
Believe your time has
 Come today
Throw in your prime
And know it's here
 To stay
 Be free to see
Your smile, soft sway
I'm sure you want this day
 Ba ba da da da da
 Ba ba da da da da
 Ba ba da da da da
Ba ba da da da ba da da ba da da
 Ba ba da da da da
 Ba ba da da da da
 Ba ba da da da da
 Ba ba da da da da
