

# If It Don't Work Out

## Dusty Springfield

When he loved me nothing in this world  
Could touch his love  
And now the light of love is back  
Can I return the joys he's dreaming of?  
I don't know  
I don't know(But if it don't work out)  
The tears that I cried in vain  
Won't bring him home, no, no  
I wanna bring him home Will he still care for me  
The way he did he before?  
Or, will he turn away  
And tell me he don't love me anymore?  
I don't know  
Oh, I don't know(But if it don't work out)  
The tears that I cried in vain  
Won't bring him home  
I wanna bring him home But if I could forget  
The tears and the crying  
That I went through once before, yeah  
Maybe my love and I could start  
We'd start again, yeah One day I know we'll find again  
The love we had and I  
Will know and feel  
The joys and pleasures that I'm dreaming of  
I don't know  
I don't know(But if it don't work out)  
The tears that I cried in vain  
Ain't gonna bring him home, again  
Ain't gonna bring him home Hey, But if it don't work out  
The tears that I cried in vain  
Hey, ain't gonna bring him home again  
I'm gonna cry my heart out waiting for him, yeah  
Cry my heart out, yes I will  
Cry my heart out, yes I will  
Cry my heart
