

It's mine, I bought it Look how I stunt

Look how I stunt

Look how I stunt

Look how I stunt

In my lace front 10's to the floor

10's through the door

10's to your face

5, you a bore Pick up the pace

Spit in your face

Dawson, your creek

Joey to pace Glue in my weave, Ms. Destiny

Lil Banji bruise on my knee Dip on the dip

Making a trip

Wanna talk slick?

I blow them a kiss Glue in my weave, Ms. Destiny

Lil Banji bruise on my knee Bundles, bundles, bundles

Hit that plug up for the bundles

Beauty shop supply cashier ringing up them numbers

Rock my many styles then go natural for the summer

Hair blowing in the hummer

Flip the weave, I am a stunner

Bundles, bundles, bundles

Hit that plug up for the bundles

Beauty shop supply cashier ringing up them numbers

Rock my many styles then go natural for the summer

Hair blowing in the hummer

Flip the weave, I am a stunner Please do not ask me or any black or brown women if our hair is real or not

If it's a wig, a weave, extensions, braids, don't fuckin ask

It's very rude, it's extremely personal to be put on the spot like that

How we choose to wear our hair is our personal choice, ok?

We bought it, it's ours, so have some manners and keep your curiosity to yourself
