Only You (Remix)

Barrington Levy & Shaggy

I need to know where we stand
Do we share the special thing called love?
I know I do, what about you?
I just can't get enough of your time
Where do I go, what do I do?
I can't live without your love
Thinking of you makes me feel
Like I'm the only one for you
Girl, I want you be with you
No one else only you
Why can't we just make it happen?
Baby, I need you in my life
Every time I'm with you
Never want it to come to an end
Always make me so happy
You'll always have a place in my heart
Where do I go, what do I do?
I can't live without your love
Thinking of you makes me feel
Like I'm the only one for you
Girl, I want you be with you
No one else only you
Why can't we just make it happen?
Baby, I need you in my life
Every time I'm with you
Never want it to come to an end
Always make me so happy
You'll always have a place in my heart
Girl, I want you be with you
No one else only you
Why can't we just make it happen?
Baby, I need you in my life
Every time I'm with you
Never want it to come to an end
Always make me so happy
You'll always have a place in my heart
Where do I go, what do I do?
I can't live without your love
Thinking of you makes me feel

Like I'm the only one for you
Girl, I want you be with you
No one else only you
Why can't we just make it happen?
Baby, I need you in my life
Every time I'm with you
Never want it to come to an end
Always make me so happy
You'll always have a place in my heart
