Gold Moon

together PANGEA

Head lights in the hot dark night,
I'm deep blue from the dashboard light
It's been a while since I've felt alright
Stay blue till I turn whiteIt's a nice night for a long drive
Keep 'em coming it'll keep me alive
Ain't nobody gonna waste my time
It's a nice night for a long drive
It's a long drive
Gold moon and a crystal pain,
Smoke a cigarette to stay awake
How long will it be this way
Lost time cause time won't stayIt's a nice night for a long drive
Keep 'em coming it'll keep me alive
Ain't nobody gonna waste my time
It's a nice night for a long drive
It's a long drive
It's a nice night for a long drive
Keep 'em coming it'll keep me alive
Ain't nobody gonna waste my time
It's a nice night for a long drive
It's a long drive
