# Back Of My Hand

## Gemma Hayes

Oh, I'll be seeing you tomorrow
Oh, I'll be seeing you again
God knows we said so little
I'd go so far as to call you a friendBut there's something in your ways
That keeps me vying for a connection
And I know you feel the same
It's become a two way addictionCome on and give me your heart
Write it on the back of my hand
And say, "It's forever"Well, we never really said goodbye
Kinda left it in the air
And as the train pulled off
I knew you loved her moreOh, no, no, no, no
I'm not afraid to lose
Oh, no, no, no
Just give me some time
And I'll walk to a different grooveGo and give your heart
Write it on the back of her hand
And say, "It's forever"Go on now and give your heart
Write it on the back of her hand
And say, "It's forever"That's alright, that's okay
The thoughts of you are leavin'
That's alright, that's okay
The thoughts of you are leavin'
Anyway, are fading anywayCome on and give me your heart
Come on and give me your heart
Come on and give me your heart
Come on and give me your heart
Come on and give me your heart
