

# Back Of My Hand

Gemma Hayes

Oh, I'll be seeing you tomorrow  
Oh, I'll be seeing you again  
God knows we said so little  
I'd go so far as to call you a friend But there's something in your ways  
That keeps me vying for a connection  
And I know you feel the same  
It's become a two way addiction Come on and give me your heart  
Write it on the back of my hand  
And say, "It's forever" Well, we never really said goodbye  
Kinda left it in the air  
And as the train pulled off  
I knew you loved her more Oh, no, no, no, no  
I'm not afraid to lose  
Oh, no, no, no  
Just give me some time  
And I'll walk to a different groove Go and give your heart  
Write it on the back of her hand  
And say, "It's forever" Go on now and give your heart  
Write it on the back of her hand  
And say, "It's forever" That's alright, that's okay  
The thoughts of you are leavin'  
That's alright, that's okay  
The thoughts of you are leavin'  
Anyway, are fading anyway Come on and give me your heart  
Come on and give me your heart  
Come on and give me your heart  
Come on and give me your heart  
Come on and give me your heart
