Timebomb

Kylie Minogue

Fast, time is ticking oh so fast
The sound is running quick right through our hands
Beat, feel the rhythm in my heartbeat
Why don't you move your body to my body
Before we disappear
Tell me now, whop
Do you wanna, wanna, wanna, whop
I wanna, wanna dance like it was the last dance of my life
I wanna woo, wanna, wanna, wanna, wanna, whop
Do you wanna, wanna dance, like it was the last dance
Wait, no, please don't makes me wait
When walls are shaking, ground feels like a mind break
It's not the end of the world
It's just the start of me and you, yeah
So let's just take the moment
Boy let's move
Drive.
Tell me now, whop

Do you wanna, wanna, wanna, whop
I wanna, wanna dance like it was the last dance of my life
I wanna whop, wanna, wanna, wanna, wanna, whop
Do you wanna, wanna dance, like it was the last dance
We're on a timebomb, you might not last long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on
Wait, please don't make me wait
Wait, please don't make me wait
Tell me now, whop
Do you wanna, wanna, wanna, whop
I wanna, wanna dance like it was the last dance of my life
I wanna woo, wanna, wanna, wanna, wanna, whop
Do you wanna, wanna dance, like it was the last dance
We're on a timebomb, you might not last long
So let's just do it right now, do it come on
We're on a timebomb, before the night's gone
Let's just do it right now, do it come on
