

# Straight From The Heart

## The Allman Brothers Band

You've heard every line before  
My life's a revolving door  
With no way out and no way in  
You know just what's on my mind  
Could you take a chance one more time  
Maybe we could start all over again

Straight from the heart  
Straight from the heart  
Straight from the heart  
Straight from the heart

Your eyes can't tell a lie  
I can see what you're feeling inside  
Don't give up before we start  
?Cause this time love is  
Straight from the heart  
Straight from the heart

I know what they're telling you  
I wish I could say that it's not true  
Love is so hard to find  
But I never took the time  
I never let you in  
Please let me try again  
Straight from the heart

I thought I knew about love  
But I didn't know at all  
Didn't take the time to see  
Until I started to fall  
Straight from the heart  
Straight from the heart
