

# Little Bee

Fats Domino

Little bee, little bee, she's the gal for me  
Little bee, little bee, she's the gal for me  
She's not so pretty but fine as she can be She's forty two in the hip, thirty one in the bust  
She's forty two in the hip, thirty one in the bust  
She's got big fine legs and she knows how to strut her stuff Man she likes to ball and she likes to play  
Man she likes to ball and she likes to play  
I'll love that woman until Judgment Day
