Dope

Fifth Harmony

[Fifth Harmony]
New Jersey tongue, not saying too much
(I'm feeling your attitude)
That East Coasting, baby, is driving me crazy
Just like it's supposed to do
With hands that could save me, face that could break me
Sort of in love with you
But I wouldn't say that to ya!And now I'm trying to find the words
To tell you how I feel and show you that it's real
And now I'm trying to find the wordsI don't know what else to say, but you're pretty fucking dope
Just so you know
I've been thinking 'bout the ways that I wanna hold you close
Just so you know
I don't know what else to say, but you're pretty fucking dope
Oh, just so you know
I don't know how else to say it, but you're pretty fucking dopeDo you already know
Do you already knowDo you got a girlfriend?
Cause if you don't, then I'm coming after you
Don't wanna be selfish
But I can't help it, I'm wanting more of you
I know I'm cool as shit, you want more of it
This much I know is true
But I wouldn't say that to yaAnd now I'm trying to find the words
To tell you how I feel and show you that it's real
And now I'm trying to find the wordsI don't know what else to say, but you're pretty fucking dope
Just so you know
I've been thinking 'bout the ways that I wanna hold you close
Just so you know
I don't know what else to say, but you're pretty fucking dope
Oh, just so you know
I don't know how else to say it, but you're pretty fucking dopeDo you already know
Do you already know
Do you already know
Do you already knowWhat I think about ya
And all the ways that you make me feel
Do you know how what I think about ya, ooh
(Do you already know)
What I think about ya
And all the ways that you make me feel

Do you know how what I think about ya, oohI don't know what else to say, but you're pretty fucking dope
Just so you know
I've been thinking 'bout the ways that I wanna hold you close
Just so you know
I don't know what else to say, but you're pretty fucking dope
Just so you know(I've been thinking 'bout the ways that I wanna hold you close...)
