

Fight for Your Mind

[Ben Harper](#)

If you're gonna live, then live it up
And if you're gonna give, then give it up
If you're gonna walk the earth, then walk it proud
And if you're gonna say the word, you got to say it loud
Said, you got to fight, fight, fight for your mind
You got to fight, fight, fight for your mind
While you got the time
You got to fight, fight, fight for your mind
If you're gonna build a house, make it a home
If you're gonna pull some weight, oh, pull your own
If you're gonna help, man just reach out your hand
If you're getting up, then take a stand
Said, you got to fight, fight, fight for your mind
You got to fight for your mind
While you got the time
You got to fight, fight for your mind
Now, if you're gonna step, step on in
If you're gonna finish, you got to begin
Don't you fear, what you don't know?
Just let that be, your room to grow
Said, you got to fight, fight, fight for your mind
Ohh, your mind
While you got the time
You got to fight, fight, fight for your mind, mind, mind
