

It's Not Over

Stanfour

All the times that I've dreamed
Of a life beside of you
Never dared to believe
That one day you might come true

You're taking me up to the heavens above
I'll never come down 'cause I can't get enough
I've never imagined the way it would be
It's the most amazing thing

Hey Jane, I love you
Hey Jane, I will always do
'Cause I know in this life
Hey Jane, I will always be with you

All the times that I've cried
All the tears I couldn't hide
Brought me down to my knees
Made me blind and made me weak

You're taking me up to the heavens above
I'll never come down 'cause I can't get enough
I've never imagined the way it would be
It's the most amazing thing

Hey Jane, I love you
Hey Jane, I will always do
'Cause I know in this life
Hey Jane, I will always be with you

You came and changed me
And I feel like someone else now
I feel complete
Yeah, you saved me you changed me
You saved me

Yeah, I will always be in love
I will always be
I will always be with you

Hey Jane, I'm with you

Yeah, hey Jane, I love you
Hey Jane, I will always do
'Cause I know in this life
Hey Jane, I will always be with you
Always be with you
