

Butterfly Fly Away (Feat. Billy Ray Cyrus)

Miley Cyrus

You tucked me in, turned out the light
Kept me safe and sound at night
Little girls depend on things like that
Brushed my teeth and combed my hair
Had to drive me everywhere
You were always there when I looked back
You had to do it all alone
Make a living, make a home
Must have been as hard as it could be
And when I couldn't sleep at night
Scared things wouldn't turn out right
You would hold my hand and sing to me
Caterpillar in the tree,
How you wonder who you'll be
Can't go far but you can always dream
Wish you may and wish you might
Don't you worry, hold on tight.
I promise you there will come a day
Butterfly, fly away
Turned around and you were there
The two of us made quite a pair
Daddy's little girl was here at last
Looked away and back again
Suddenly a year was ten
Don't know how it got so far so fast
Butterfly, fly away (butterfly, fly away)
Got your wings, now you can't stay
Take those dreams and make them all come true
Butterfly, fly away (butterfly, fly away)
You've been waiting for this day
All along you've known just what to do
Butterfly, butterfly, butterfly
Butterfly, fly away
Butterfly, fly away
