Advisory - the following lyrics contain explicit language:

Understand this shit nigga learn about it  
Ay-thing a nigga spit need to know about it  
Understand this shit, nigga learn about it  
Ay-thing a nigga spit, nigga know about it  
Soak it up, boy, ya know, ya know  
Ya know, ya know, ya knowSmebbin' down the street in my 7-0  
Bumpin' the beat sittin' on gold tippity toes  
Went to the track to buy me some hemp  
Some old nigga yells out, "40 you's a pimp"I said, "Playboy understand my strategy  
Got to know a little somethin' this dope game  
Fall off into this catergory"  
I'm from that real live shit fuck hannabera  
I'm from the eighty four eighty fin eraI like to sake em up rattle, baby, got saddle  
If the nigga had a sack could I fuck with that  
Got to blowin' up her head with the chitter chatter  
I'm out the roof of my coupe spittin' game at herI likes to fuck and get up and get on  
I'm eatin' steak on the bone  
And steady stuffin' dick in her dome  
I'm on the phone in my hot tube  
Gettin' my back rubbed onAbout to fall deep in the zone  
Let a nigga kick back and put ten to the ceiling  
Got my face in the pillow 'cuz I'm lovin' the feelin'  
Ain't nothin' like nuttin' in her jaw  
So damn raw, nipples pokin' out the braMan in the town I see  
Undertakers, Captain Savers, Cape crusaders, A P.H.er  
Plays in the game gettin' ratted on  
A ba A bitches in the game gettin' over onNever tell a bitch all your business  
'Cuz one day she might be an eye witness  
These are the things you need to know man  
This shit I'm spittin', niggas don't understandUnderstand this shit nigga learn about it  
Ay-thing a nigga spit need to know about it  
Understand this shit, nigga learn about it

Ay-thing a nigga spit, nigga know about it  
Soak it up, boy, ya know, ya know  
Ya know, ya know, ya know Fools want to come up but ain't paid dues  
Want to hang around a player lookin' for clues  
Well in my younger days I did dirt  
Put in work, I used to but ki's from Kirk And nigga don't think that I wasn't the man  
Out there jiggin', doin' all that I can  
But now in 95 I done flipped the scrip  
Hopin' muthafuckas understand this shit We used to local till we signed with Jive  
40 num num went nation wide  
Who would ever thought that Earl, Earl  
On the pitchers mound with the curl would be One of the biggest things to that ever came out the V  
Since Michael Copper and confuction barely graduatin'  
Hogan High School  
Drunken, Hillside representative, sky unlimited, game's unlimited  
Magazine street pioneer Ex D boy ask my cousin Troy Understand this shit nigga learn about it  
Ay-thing a nigga spit need to know about it  
Understand this shit, nigga learn about it  
Ay-thing a nigga spit, nigga know about it  
Soak it up, boy, ya know, ya know  
Ya know, ya know, ya know Man, 40 would you rain on me man, sprinkle me, man  
Hey, would you tie my shoes lace me up or somethin'  
Man I need to be sprinkled man Ay  
Understand this shit, nigga know about it  
Know about it Kind of like when the drought  
About to hit you need to know about it  
You gotta done lived this shit to know about it  
Teah, check game, a fool got at me the other day, right?  
Rit "Hey, hey B, how y'all niggas be comin'  
With that ol' wild shit?", huh?  
I say check game playboy, I'm from the 84  
Eighty fin era, eighty fin era Where we done did that shit, know about that shit  
Know about that shit, spit that shit  
And it don't quit, and it won't quit  
And it won't stop, and it don't stop Fuck a hoe  
Fuck a bitch  
Fuck that hoe main
